

# *Carriage House Inn*

---

March 11, 2020

At The Carriage House Inn the safety and wellness of our hotel, outlets, clientele and employees is of utmost priority.

Although the World Health Organization considers Canada and assess the risk of being exposed to COVID-19 as LOW, we have taken the following precautionary measures.

1. The Carriage House Inn is currently working with the Alberta Hotel & Lodging Association, Alberta Health Services and the North American Event Safety Alliance to ensure proper procedures are currently implemented.
2. The Carriage House Inn currently abides by Alberta Health & Safety standards and have already implemented additional cleaning procedures such as a "disinfection and wipe down program". All horizontal surfaces; handles, door pushes and pulls, railings, counters, elevator buttons etc. are wiped down on an accelerated rotation.
3. We are constantly monitoring the situation and are in contact with Alberta Health Services to update our operating procedures on a daily basis.

The Carriage House Inn will continue to be committed to providing a safe environment to our hotel guests, clientele and employees during this arduous time. We will continue to update our procedures and policies as further information and recommendations are released.

If you have any questions please do not hesitate to contact us.

Sincerely,

Lino Savino  
General Manager
